## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1 – 11 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art taken either singularly or in a combination fails to anticipate or fairly suggest the limitations of the independent claims, in such a manner that a rejection under 35 U.S.C. 102 or 103 would be proper. The prior art fails to teach a combination of all the claimed features as presented in independent claims 1 and 6, for example which include, an image pickup lens having in order from an object side, an aperture stop, a meniscus-shaped first lens and a second lens and a first lens has a positive refractive power and first and second lenses satisfy the following condition:  $f_1 / |f_2| < 1.0$ , wherein,  $f_1$  is a focal length of the first lens and  $f_2$  is the focal length of the second lens (claim 1); and the following condition is satisfied  $.40 < D_{24} / f < 1.00$ , wherein  $D_{24}$  represents a distance from an image side surface of the first lens to that of the second lens and  $f$  represents a focal length of an entire image pickup lens system, and an image side surface of the second lens has thereon an aspheric surface satisfying the following conditional expression at optional height  $h$  in the direction to an optical axis satisfying  $h_{\max} \times .7 < h < h_{\max}$  where  $h_{\max}$  represent the maximum effective radius ;  
 $X - X_0 < 0$ , wherein  $X$  and  $X_0$  are values calculated by the following expression under the condition that a vertex of the surface represents the origin , and an  $X$  axis is taken in

the optical axis direction , and X represents an amount of displacement of the aspheric surface (claim 6) (Note: claim 6 is allowed previous office action).

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
